# MR. RAYMOND PITTS

CEO / Founder

## About CEO

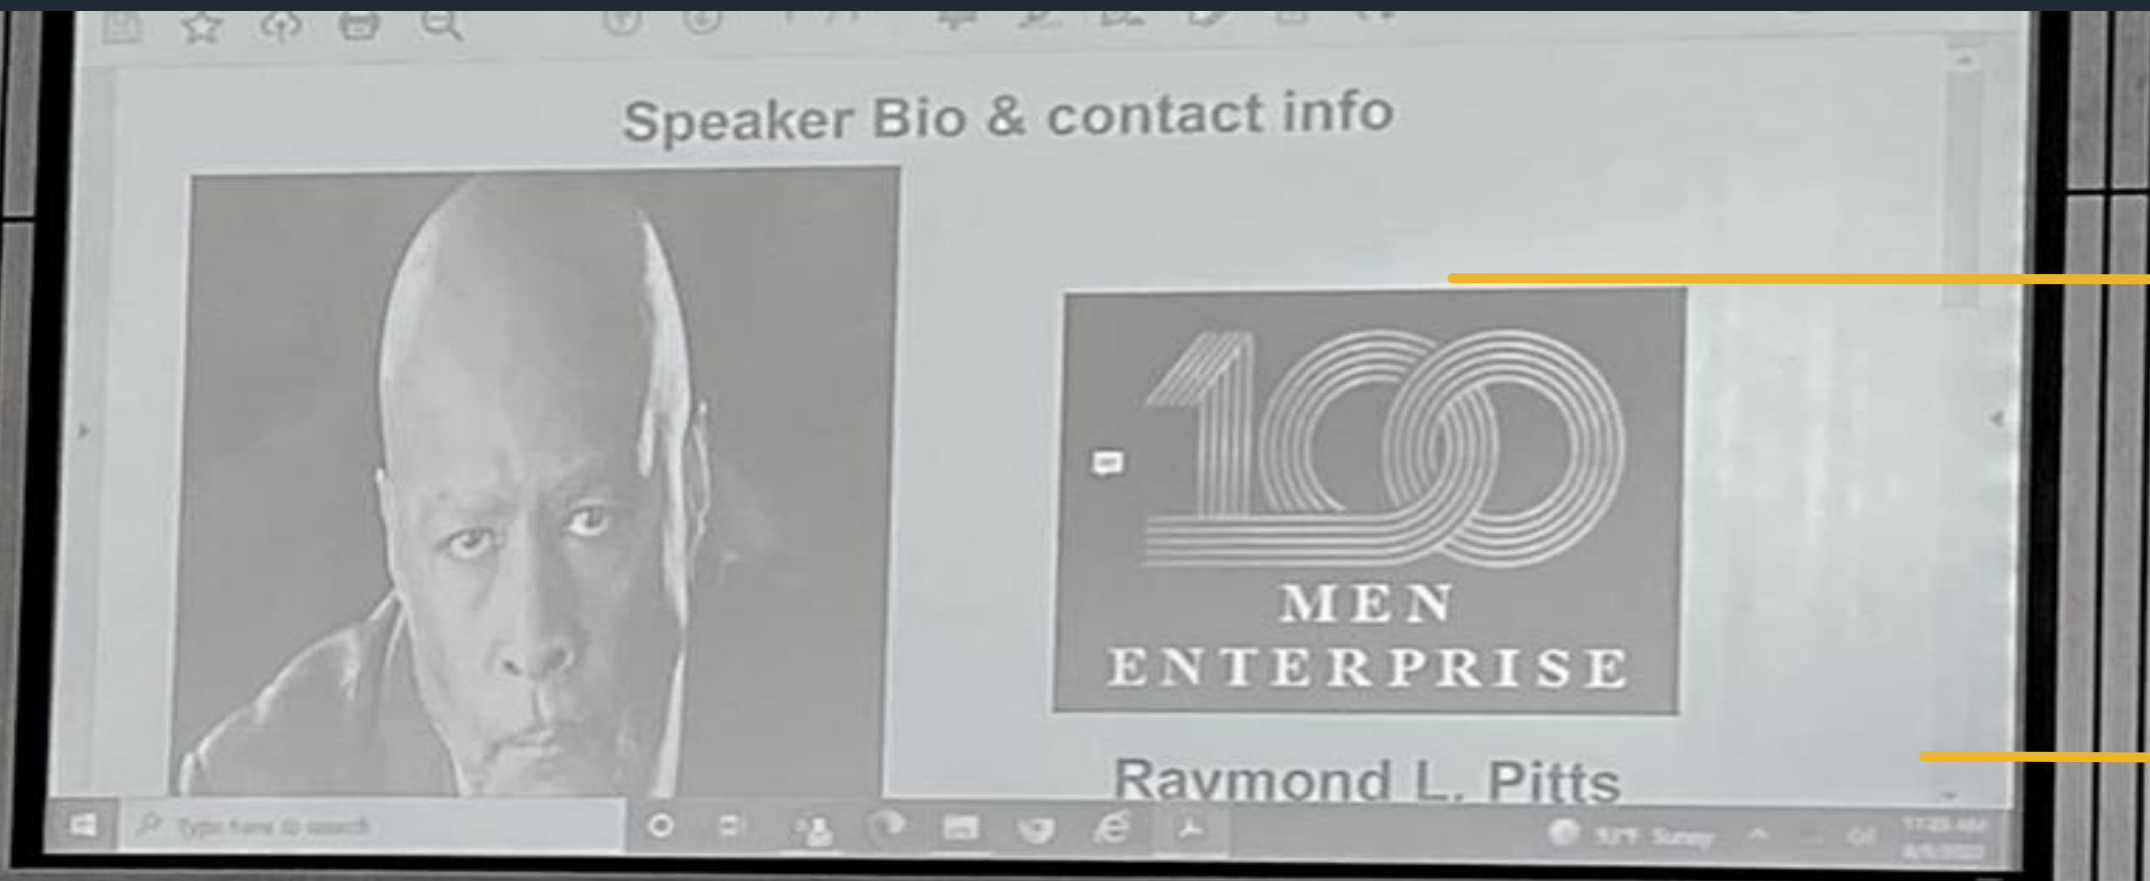

Raymond Pitts is the CEO and Founder of 100Men Enterprises. He is a proud Army Combat Veteran (Gulf War). He is also a member of the Corporate Military Veteran's Affinity Group and Corporate Veterans on Wall Street Affinity Group.

Raymond is also an active member of the Dallas Veterans Committee as a business sponsor helping to locate and build homes for homeless veterans.

Raymond is also an Advisory Board Member for NPower, which helps veterans and others find technology jobs.

Raymond has been inspired by his own grandson and other men in the community to create 100Men Enterprises to empower and elevate men in the community.

## **ABOUT 100MEN ENTERPRISES**

One Hundred Men was established in November 2019 as a Non-Profit Organization formed to help men get a restart on life to develop strong coping skills.

The organization is geared towards men at different stages of life to provide leadership development and social education to better manage life's challenges.

The purpose of 100Men is to help men heal and awaken to their true power. 100Men hosts life-changing personal development programs that will educate men on healthy, respectful manhood.

## OUR TEAM

## REACHING 100 YOUNG MEN PROJECT

The target population of Reaching 100 Young Men is male youth between the ages of 15-21 who have been impacted by crime, violence, incarceration, poverty, and/or limited educational and career options.

The goal of the project is to offer mentorship, education, financial literacy, internship, career/occupational training, counseling & opportunities for personal growth to young men from underserved communities to guide them to become productive citizens of their community.

the Reaching 100 Young Men Project is seeking a partnership with a local alternative high school to begin the cycle of mentorship and growth opportunities.

**BEST  
SOLUTION:  
REACHING 100  
YOUNG MEN**

The Reaching 100 Young Men Program aims to begin with a cycle of 25 young men who will each receive individualized mentorship through 100 Men Enterprises.

The cycle one young men in the program will be monitored closely and the program will be evaluated for progress through monthly reviews.

The conclusive objective of the Reaching 100 Young Men Project will be that each of the first cycle participants graduate the program with additional training, a future action plan, and internship or career.
